I see many of my fine colleagues serve in such important positions but it is at best a little difficult to find those persons from a more rural setting. Many of these appointments go to the larger firms in larger cities. I am not necessarily stating that this is a bad thing due to the fact that more citizens are represented by appointees from larger populations. However, the people from rural areas need representation as well. They need to know that a judicial appointment would also be experienced in their areas and not just the larger, more urban type of legal experience.

All residents of the State of Tennessee need a voice on this committee. It is as important to a citizen of Fairfield Glade, Crab Orchard and Big Lick to have their interests spoken for as it is for the larger cities. I would like to be that voice for rural Tennessee on the Selection Committee.

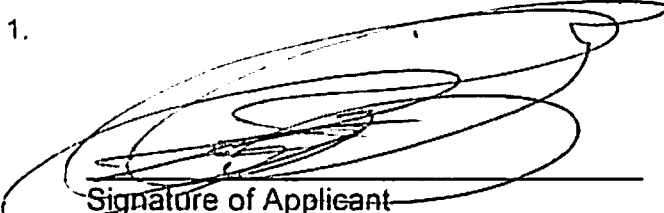

10. The Lieutenant Governor (Speaker of the Senate) and the Speaker of the House both have appointments to the Judicial Nominating Commission. Please indicate to which office you would like your application to be sent for consideration.
